

Healthy Transitions Facilitator

Status: Full-time 40 hours per week

Location: Columbia, MD

Humanim is a leading non-profit organization, specializing in human services. We annually serve over 4,500 individuals and are committed to providing uncompromising services to those in need.

A Healthy Transitions Facilitator is needed in the Department of Behavioral Health for the Healthy Transitions program. This position provides a wide variety of support services designed to improve successful transitions for transition-aged youth in the areas of employment, education, living situation, and mental health services. The Healthy Transitions Facilitator will work with clients in their home and throughout the community to provide life skills training, case management services or referral services to ensure clients needs are met. The Facilitator will maintain an outcome focus and will involve young people, parents and community partners in the delivery of service. This is a full-time, salaried position. Flexibility with your schedule is preferred and may include weekend and evening hours to meet the needs of the clients. Preferred experience with evidence-based practices and ability to work flexible hours.

Bachelors' degree in psychology/related field or 2 years relevant Mental Health experience preferred. High School Diploma and a valid MD driver's license are required.

At Humanim, you'll perform meaningful work, make a difference in the lives of the people we serve, and find the support and training it takes to grow as a professional. We offer a comprehensive benefits package for eligible employees, including paid time off, medical insurance, and tuition reimbursement. We are an Equal Opportunity Employer M/F/Disability/Veteran.
