(1) For this award, Vendor must immediately complete the Mayor's Office of Employment Development (MOED) Local Hiring Employment Analysis Form (attached), providing contact information for each vendor/contract awarded. This form must be returned to Family League with the signed Vendor contract. **At Family League's sole discretion, Vendor will not receive its first progress payment under the contract unless and until the employment analysis has been performed.**

(2) If Vendor's workforce plan for this contract/grant indicates a need to fill new jobs, Vendor agrees to post these positions through MOED for a period of seven (7) days prior to publicly advertising the openings. This will enable MOED to identify and refer qualified City residents to Vendor as candidates for these job opportunities. To post positions, Vendor must complete the MOED Job Posting Application (attached) and submit it to Milena Kornyl, MOED Project Coordinator at hirelocal@oedworks.com.

(3) Unless informed by MOED in writing of a lesser frequency, Vendors shall submit monthly employment reports (report template attached) to Family League by the third business day of the month for the preceding month. **The submission of the Employment Reports as required shall be a condition precedent to the release of final payment or any and all retainage held pursuant to the contract.**
