INTRODUCTION

Since 1991, Family League of Baltimore (Family League) has been the designated Local Management Board for the City of Baltimore. Family League's mission statement is: *Family League works collaboratively to support data-informed, community-driven solutions that align resources to dismantle systemic barriers that limit the possibilities for children, families, and communities.*

Family League's work seeks to dismantle systemic barriers that limit the possibilities for children, families, and communities. We focus on four priority Results Areas: Cradle to Career Education, Healthy Families, Economically Secure Families, and Safe and Thriving Families.

As a careful steward of the funds awarded by the City, the State of Maryland, and federal and private entities, Family League braids its resources together to maximize the impact of each dollar invested in support of these results areas. We leverage these resources to serve Baltimore's children, youth, and families through our participation as a convener, implementation lead, or partner in numerous collaborative spaces.
